
AAKAR
CONSTRUCTION
Shaping Your Dream

Company Profile

Founded in 1990 by Mr. Vinod Patel, Aakar Constructions has grown into a trusted name in the construction industry through unwavering passion, dedication, and innovation.

With a strong focus on quality and timely delivery, Aakar Constructions specializes in the design and construction of showrooms, warehouses, and industrial campuses.

Over the past three decades, we have successfully completed 250+ projects, turning visions into reality with excellence, precision, and a client-first approach.

“You can design and create, and build the most wonderful place in the world, But it takes people to make the dream a reality.”

WHY US?

We named AAKAR CONSTRUCTION because it signifies what we offer, how our clients respond to our work, and how we feel about delivering it.

Our work meets the brief, takes the weight off clients' shoulders and leaves them delighted with the results.

- **We work with you**

  we'll work with you on your project. Together we'll fine-tune your new construction plans, incorporating your desired designs and specifications.

- **We offer flexible pricing**

  By Choosing our construction company means that you'll benefit from our top services that are also economical. We work within your financial blue print to ensure you get what you want by using cost-effective strategies.

- **We care about what we do**

  We always want to do well by our clients: we care about their reputation as much as we do about ours. This is partly professional pride, partly personal ethics. Doing a good job really matters to us & creating win-win situation for both side

Our Focus

We focus on the individual requirements of our customers. Difficult tasks motivate us to excel, from planning to the finished product.

- Top quality work and materials
- Assured delivery time
- Long-term co-operation
- Competitive prices
- Flexibility
